

PESACH BINGO

Dear parents and kids,

Enjoy playing this game to prepare for Pesach!

To play, cut out bingo boards and bingo cards.

Prepare something to use as "bingo pieces", like raisins, chocolate chips or just use pencils.

To play, mix the bingo cards in a pile and give each player one bingo board. The players take turns picking a card from the pile. All players cross off/cover the picture on their boards.

To make it harder, the player can call out a letter B-I-N-G-O before picking a card. Then, players only cross it off if the picture is in the column under that letter.

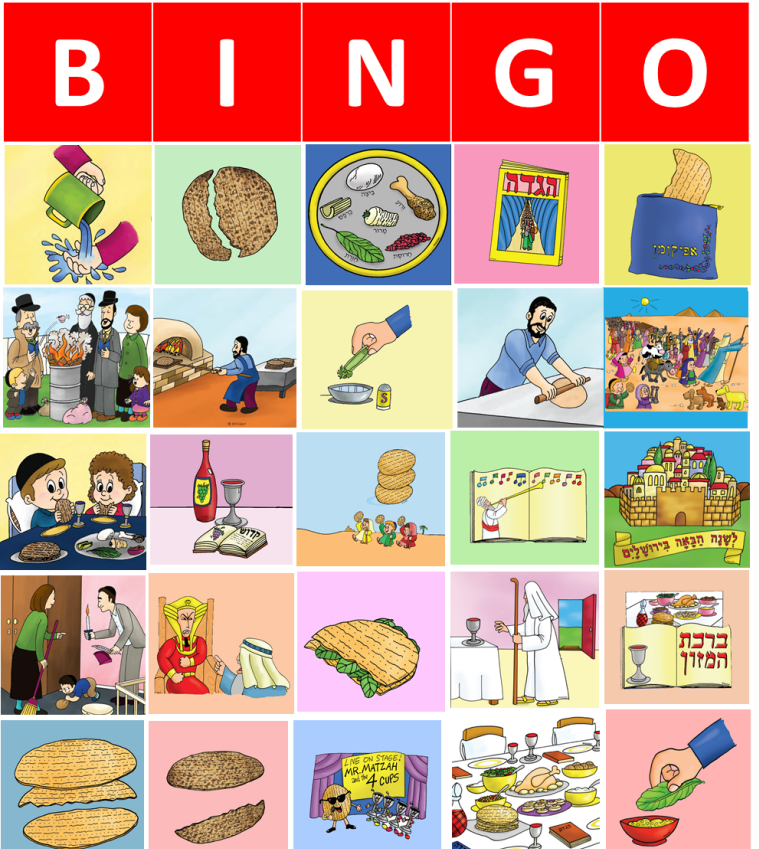

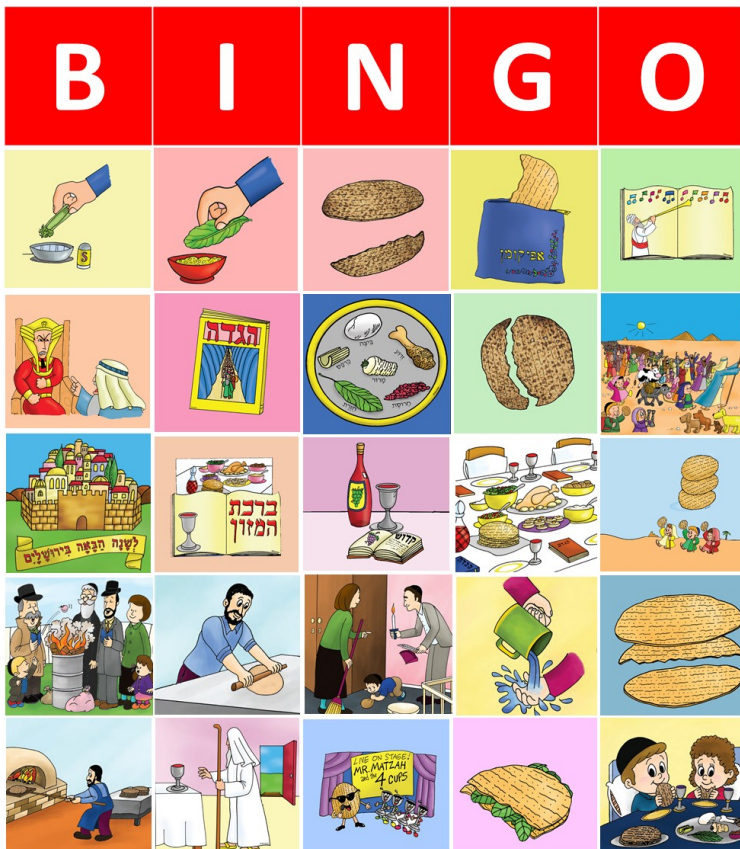

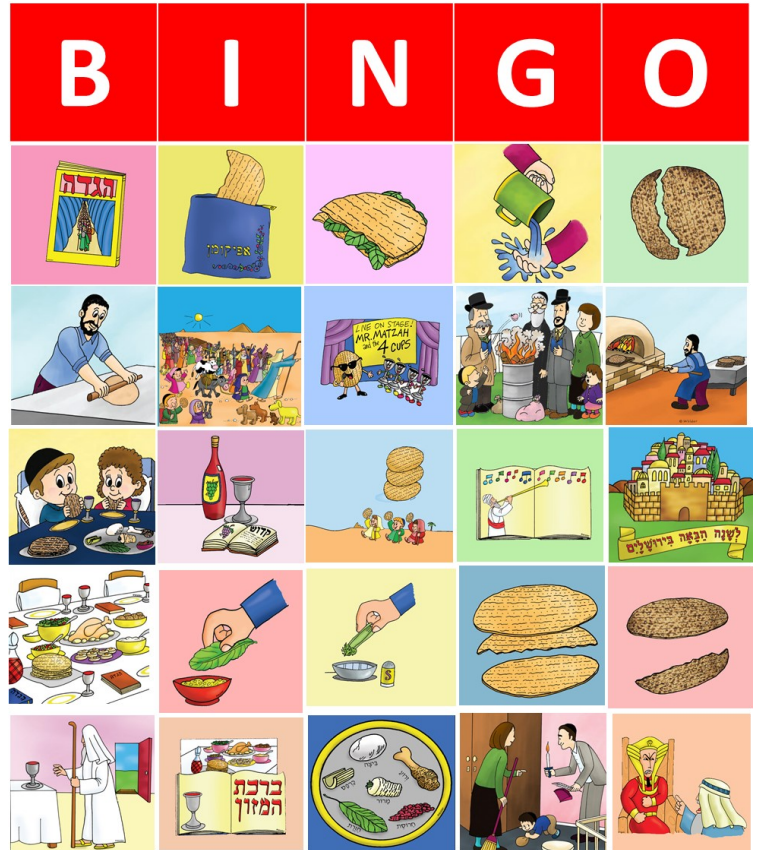

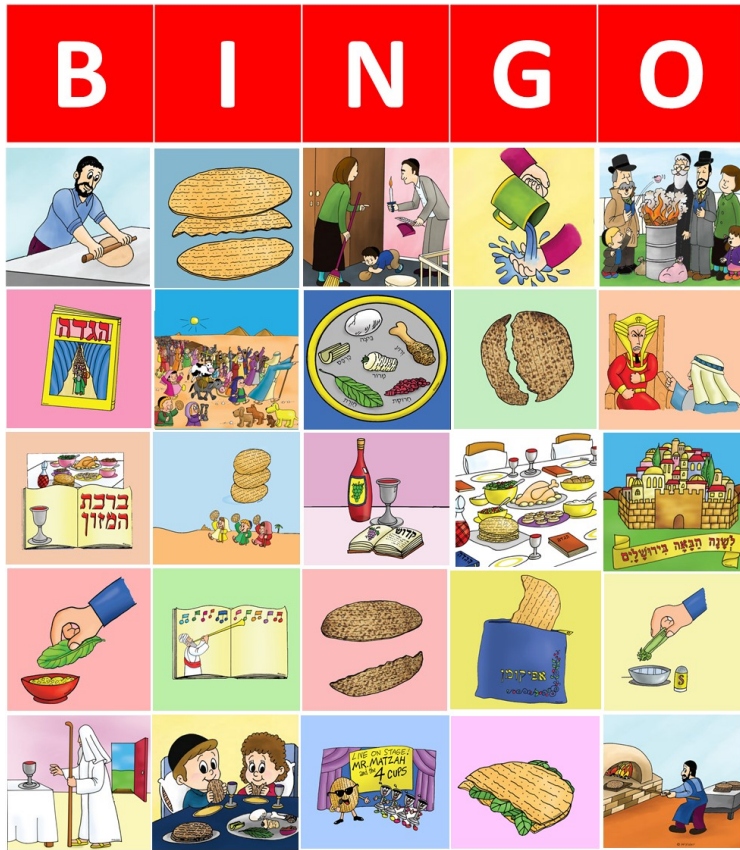

Have fun!

A Kosher and Happy Pesach!
